

## Challenging Airway Course 14.5.21

### DRAFT PROGRAMME

#### Pre-reading:

Candidates are to be sent a link for a video platform (? Charles P/ Vimeo) at least 7 days pre-course. Recommended to watch the following lectures & simulation: Drugs, sedation & consent (N Chogle), NAP 4 (W Donaldson), NTSP (N Chogle/ D Carson), Obstetric airway (C Philpott) and DAS ICU guidelines (D Hendron). Extended simulation video including case debriefing (M Kee, Fellow). This constitutes approx 60 - 90 minutes course preparation.

Throughout the day, all faculty site leads coordinate via What's App.

Phone: Michael on 07855 389727 Claire on 07733238257  
Jon Eady (for English candidates) on 07772 502743

Throughout lectures, candidates may email Jon Eady via:

[challengingairway@gmail.com](mailto:challengingairway@gmail.com) or on Zoom screen to submit questions to faculty.
