

## 2nd Evolution of Pulsed Radiofrequency Symposium

Hotel NH Nacional, Paseo del Prado, 48, Madrid, Spain

Friday, 22 April 2022, 08.30 - 17.30hrs

08:30	Registration - Tea & Coffee - Exhibition
09:15	Welcome & Introduction ( <i>Dr T. Goroszeniuk, UK, Dr A. Krol, UK</i> )
09:20	How does pulsed RF diminish pain? ( <i>Prof Dr Menno Sluijter, Switzerland</i> )
10:00	Development of the random mode pulsed RF treatment ( <i>Dr Alexandre Teixeira, Portugal</i> )
10:40	Tea & Coffee - Exhibition
11:10	Sacral Pulsed Radiofrequency ( <i>Dr Olav Rohof, The Netherlands</i> )
11:50	Ultrasound guided pulsed RF treatment for patients with spinal pain ( <i>Dr. A. Krol, UK/Dr E. Ortigosa, Spain</i> )
12:30	Lunch - Exhibition
13:30	Pulsed RF for Spinal pain - Cervical Region ( <i>Dr Olav Rohof, The Netherlands</i> )
14:10	Comparing pulsed RF with other treatment modalities ( <i>Dr Alexandre Teixeira, Portugal</i> )
14:50	Pelvic Pain, PRF & Neuromodulation ( <i>Dr Ashish Shetty, London, UK</i> )
15:30	Tea & Coffee - Exhibition
16:00	Ultrasound guided pulsed RF of Joints & Peripheral Nerves ( <i>Dr A. Krol, UK/Dr A. Ortega, Spain</i> )
16:40	Future developments ( <i>Prof Menno Sluijter, Switzerland</i> )
17:00	Free Oral Presentations
17:30	Close of the Symposium
