SESSION THREE. ADVANCES IN INTERVENTIONAL PAIN MANAGEMENT

16.20. Advanced Interventions for Cancer Pain (A. Bhaskar. UK)

16.40 MSK Regenerative Therapies (R. Reddy, UK)

17.00 Update on Cryoablation Procedures (P. Strulak, Switzerland)

17.20 Should we modulate or Denervate (G. Baranidharan, UK)

17.40 Update on Spinal Cord Stimulation (A. Gulve, UK)

18.00 CLOSE OF DAY ONE

7th International Conference & 13th Hands-on Cadaver Workshop Interventional Pain Medicine & Neuromodulation

Warsaw, Poland 20-21 October 2023

**With London Pain Forum, Interventional Section, Polish
Association for the Study of Pain & Polish Chapter of
International Neuromodulation Society**

SATURDAY 21 OCTOBER 2023 (HANDS-ON WORKSHOP)

**Venue: Forensic Medicine Dept, Warsaw Medical University (WUM), Warsaw, Poland
(Zakład Medycyny Sądowej WUM, Wojciecha Oczki 1, 00-001)**

08.30 REGISTRATION/TEA & COFFEE/EXHIBITION

09:00 WELCOME & INTRODUCTION

09:20 Hands-on Workshop Stations 1-8

10:10 Hands-on Workshop Stations 1-8

11:00 TEA & COFFEE BREAK/EXHIBITION

11:20 Hands-on Workshop Stations 1-8

12:10 Hands-on Workshop Stations 1-8

13:00 LUNCH/EXHIBITION

14:00 Hands-on Workshop Stations 1-8

14:50 Hands-on Workshop Stations 1-8

15:40 Hands-on Workshop Stations 1-8

16:30 Hands-on Workshop Stations 1-8

17:20 CLOSE OF DAY TWO

HANDS-ON WORKSHOP STATIONS (21.10.23)

Station 1. X-ray Guided Lumbar Interventions (CADAVER PRONE)

Facets, MBB, Racz catheter, Transforaminal Epidural. – D.Hanu-Cernat, UK/A. Bhaskar, UK

Station 2. X-ray Guided Cervical Interventions (CADAVER LATERAL) –

G. Baranidharan, UK/P. Strulak, Switzerland

Station 3. X-ray Guided Percutaneous Spinal Cord Stimulation/PNS (CADAVER PRONE)

A.Gulve, UK/P. Sokal, Poland/T. Goroszeniuk, UK

Station 4. X-ray Guided Pain Interventions (CADAVER SUPINE)

– K. van Tilburg, Netherlands/M. But, Poland

Facial Pain - Trigeminal, sphenopalatine ganglion (incl. RF/Cryoablation)

Station 5. CT-Guided Pain Interventions (CADAVER PRONE)

Including coeliac and hypogastric sympathetic blocks – A. Krol, UK/P. Strulak, Switzerland

Station 6. USG Pain Interventions – (LIVE MODEL) – G.Górniewski/M. Janiak, Poland

(Fascial plane blocks, Intercostal, Paravertebral)

Station 7. USG MSK Interventions – (LIVE MODEL) – Dr Raja Reddy, UK

Joints: Shoulder, Knee, Hip, Posterior Pelvis)

Station 8. External Neuromodulation Targets – W. Nierodzinski/T. Goroszeniuk

Station 9 (Free Station). USG Pain Interventions: Ask the Expert – (LIVE MODEL)
