|---|-------|
| 1. Update on Cannabinoids in Pain Management (M. Platt, UK) | 30min |
| 2. Update on Prescribing (A. Bhaskar, UK) | 30min |
| 3. Q&A | 30min |

Neuromodulation Updates & Regenerative Medicine

17.30-20.00 – Evening Session Day Two:

- | | |
|--|-------|
| 1. Neuromodulation not NICE - Neuromodulation for Visceral pain and Reactivate for Multifidus Stimulation (A. Shetty, UK) | 30min |
| 2. High-Frequency Spinal Cord Stimulation Provides Long-term Relief from Refractory Pain of the Trunk and Limb.(N. Park, UK) | 30min |
| 3. Challenging Cases of Chronic Lower Limb Pain - Regenerative Medicine at its Best, Delivering Successful Outcomes (Dr YeJeong Kim DeGeer, Australia) | 30min |
| 4. Lecture TBC | 30min |
| 5. Q&A | 30min |

Tuesday 14 January 2025 –08.30-10.00hrs & 17.30-20.00hrs

Pain Management Updates

08.30-10.00 – Morning Session Day Three:

- | | |
|--|-------|
| 1. Orthopaedic Perspective on Pain Management (J. Compson, UK) | 30min |
| 2. Thermal Imaging in Pain Medicine (D. Kruglov, UK) | 30min |
| 3. Q&A | 30min |

Pain Practice Updates

17.30-20.00 – Evening Session Day Three:

- | | |
|---|-------|
| 1. AI and Cloud Computing - including Live Demo to Make Your Life Easy! (A. Shetty, UK) | 30min |
| 2. Sacroiliac Joint Pain & Radiofrequency Denervation (N. Evans, UK) | 30min |
| 3. Cryotherapy in Pain Management (I. Filipovski, Denmark) | 30min |
| 4. Vascular Anomalies and Pain (D. Mazetto Cadide, Brazil) | 30min |
| 5. Q&A | 30min |

Wednesday 15 January 2025 – 17.30-20.00hrs

Pain Management Updates & Free Oral Presentations

17.30-20.00 – Evening Session Day Four:

- | | |
|---|-------|
| 1. Complex Regional Pain Syndrome: What Did I Learn After US Scan Use? (C. Oliveira, Brazil) | 30min |
| 2. Fluoroscopic Challenges: Cervical and Lumbar Epidural Injections (Y. Perper, USA) | 30min |
| 3. MRI Spine Interpretation: Challenging Cases (A. Gontsarova, UK) | 30min |
| 4. Q&A | 30min |
| 5. Evaluating the Management of Chronic Pelvic Girdle Pain following Pregnancy (B. Halliday, UK) | 10min |
| 6. Pain Management Practices & Outcomes with Acute Hip, Pelvic and Femur Patients: 8 Year Study (R. Hartley, Australia) | 10min |
| 7. Individualized Care and Follow-Up in Outpatient Surgery: A Pilot Study (S. Faria, Brazil) | 10min |

Thursday 16 January 2025 – 08.30-10.00hrs & 17.30-20.00hrs

Non-Invasive Pain Management Therapies

08.30-10.00 – Morning Session Day Five

- | | |
|---|-------|
| 1. Long-term Improvement in Three Patients with Complex Regional Pain Syndrome Using Vibrational Therapy. An Update. Prospective Clinical Trial Based on These Findings (JC. Andreani, Argentina) | 30min |
| 2. Non-Invasive Neuromodulation Workshop (TBC) | 30min |
| 3. Q&A | 30min |

Ultrasound in Pain Management

17.30-20.00 – Evening Session Day Five:

- | | |
|--|-------|
| 1. Lecture TBC (K. van Tilburg, Netherlands) | 30min |
| 2. The Best Management of Post Amputation Pain (A. Krol, UK) | 30min |
| 3. Ultrasound in Pain Management - Major Joints: Live Model Scanning (A. Krol, UK) | 90min |

Friday 17 January 2025 – 08.30-10.00hrs & 17.30-20.00hrs

Neuromodulation Updates

08.30-10.00 – Morning Session Day Six:

- | | |
|--|-------|
| 1. Peripheral Nerve Stimulation HF-EMC Technology to Power an Implanted Neurostimulator with a Separate Receiver for the Treatment of Chronic Knee Pain after Total Knee Replacement: Retrospective Study (E. Kilbride, USA) | 30min |
| 2. Peripheral Nerve Stimulation for Angina (T. Goroszeniuk, UK) | 30min |
| 3. Q&A | 30min |

Ultrasound in Pain Management

17.30-20.00 – Evening Session Day Six:

- | | |
|---|--------|
| 1. The Right Imaging Modality for the Right Intervention in Interventional Pain Therapy (A. Krol, UK) | 30min |
| 2. Interactive Ultrasound in Pain Management Live Model Scanning: Ask the Expert (A. Krol, UK) | 120min |

20.00 – CLOSE OF THE WINTER SYMPOSIUM
