

# PTN INTERNATIONAL NEUROMODULATION CONGRESS

## THURSDAY 17 OCTOBER 2024

Collegium Novum, Jagiellonian University, Gołębia 24, 31-007, Krakow, Poland

### PROGRAMME

08:30-09:00		Registration/Tea & Coffee
09:00-09:20		Welcome & Opening Addresses <b>Dr Witold Libionka</b> President, Polish Neuromodulation Society (PTN) <b>Dr Magdalena Kocot-Kepska</b> , President, PTBB <b>Prof Konstantin Slavin</b> , President, International Neuromodulation Society, USA <b>Dr Teodor Goroszeniuk</b> , President, London Pain Forum
		<b>Basic Sciences &amp; Future Directions</b>
09:20-09:50		Dorsal Horn Dendrite Stimulation. <b>Dr Marc Russo</b> , Australia
09:50-10:20		Current State and Future Directions in Neuromodulation for Pain <b>Prof Konstantin Slavin</b> , Chicago, USA
10:20-10:40		Basic Science of Closed Loop Spinal Cord Stimulation <b>Dr Ilona Obara</b> , Newcastle, UK
10:40-11:00		Mechanisms of Deep Brain Stimulation. <b>Dr Witold Libionka</b> , Bielsko-Biala, Poland
11:00-11:30		Tea & Coffee
		<b>Neuromodulation Updates</b>
11:30-11:50		Spinal Cord Stimulation: Indications, Contraindications and Complications. <b>Dr Barbara Jagiello-Bajer</b> , Krakow, Poland
11:50-12:10		Recent Advances in Spinal Cord Stimulation. <b>Prof Jarek Maciaczyk</b> , Bonn, Germany
12:10-12:30		Recent Advances in Deep Brain Stimulation. <b>Prof Tomasz Mandat</b> , Warsaw, Poland
12:30-13:30		Lunch
13:30-14:30		<b>Industry Sponsored Satellite Symposiums x 3</b>
14:30-15:10		<b><u>Intrathecal Drug Delivery Session</u></b> Treating Neuropathic Pain. <b>Prof Jose de Andres</b> , Valencia, Spain Treating Head & Neck Pain. <b>Dr Denis Dupoirion</b> , Angers, France

15.10-15.40		<b>Free Oral Presentations</b>
15:40-16:00		Tea & Coffee
		<b>Cost Effectiveness &amp; Challenges of Neuromodulation</b>
16:00-16:30		Cost Effectiveness of SCS in Failed Back Surgery Syndrome or Persistent Spinal Pain Type II <b>Prof Sam Eldabe, Middlesbrough, UK/Morges, Switzerland</b>
16:30-16:50		Motor Cortex Stimulation: The challenge of indication and technique <b>Prof Robert Levy, Boca Raton, Florida, USA</b>
16:50-17:10		Spinal Cord Stimulation in Parkinson's Disease for Gait Improvement. <b>Dr Pawel Sokal, Bydgoszcz, Poland</b>
17:10-17:30		Peripheral Nerve Stimulation for Angina <b>Dr Teodor Goroszeniuk, London, UK</b>
17.30		Close of Congress
