

OneBrain - Scotland

Date 28th May 2024
Venue Ninewells Hospital, Dundee
Cost Trainees - £75

Join a faculty of neuroanaesthetists, neurointensivists, specialist neuro-critical care nurses, theatre ODPs and neurosurgeons for a one-day simulation course on the key topics of the Stage 1 and 2 Neuroanaesthetic Curriculum.

This unique course is suitable for ST4 grades and above who wish to update their knowledge on the management of common neurosurgical conditions, are preparing for their rotations in neuroanaesthesia, or preparing for the Final FRCA Examinations.

Maximum 12 candidates to maximise learning opportunities. Lunch and refreshments provided.
