

London Pain Forum & Melius Klinieken  
welcome you to:

# 3rd International Pain Symposium on Headache and Facial Pain & Ultrasound- Guided Interventional Pain Procedures *Plus Expert Sessions on (Un)common Pain Problems & Widespread Pain*

September 25<sup>th</sup>-27<sup>th</sup>, 2025  
Melius Klinieken  
Eindhoven, The Netherlands

## Scientific programme

Day 1 – Thursday September 25<sup>th</sup>, 2025

08:15	Registration (tea, coffee)
08:50	Opening of the symposium <i>Dr. Teodor Goroszeniuk &amp; Dr. Kenneth van Tilburg</i>
	Headache & facial pain
09:00	Trigeminal autonomic cephalalgias <i>Manjit Matharu MD PhD, London, United Kingdom</i>
09:30	Q&A
09:40	The cingulum as the source of chronic intractable pain? <i>Linda Kollenburg MD, PhD candidate, Nijmegen, The Netherlands</i>
10:10	Q&A
10:20	Morning break – tea/coffee & biscuits
10:50	Neurosurgical options for intractable pain. <i>Erkan Kurt MD PhD, Nijmegen, The Netherlands</i>
11:20	Q&A
11:30	Invasive electrostimulation for headache disorders (e.g., cluster headache, migraine). <i>Jean-Pierre van Buyten MD PhD, Sint-Niklaas &amp; Antwerp, Belgium</i>
12:00	Q&A
12:10	Lunch

	Headache & facial pain
13:00	CSF leaks & spontaneous intracranial hypotension <i>Manjit Matharu MD PhD, London, United Kingdom</i>
13:30	Q&A
13:40	Intrathecal (spinal) drug delivery in patients with spasms and pain. <i>Eugene Quant MD, Rotterdam, The Netherlands</i>
14:30	Q&A
14:40	Chronic headache & facial pain in pediatric patients. <i>Danielle Mazetto Cadide MD, Sao Paulo, Brazil</i>
15:10	Free oral presentation 1
15:25	Afternoon break – tea/coffee & snack
	Headache & facial pain / Ultrasound guided interventional pain procedures
15:55	Physical examination of the cervical / cervicothoracic region <i>Freek Weijers Msc, The Netherlands</i>
16:20	Q&A
16:30	Ultrasound guided greater/minor/third occipital nerves (including cryo & RF), stellate ganglion, cervical nerve roots. <i>Michal But MD, Koszalin, Poland</i>
17:15	Q&A
17:30	Close of day 1 <i>Teodor Goroszeniuk MD &amp; Kenneth van Tilburg MD PhD</i>

Day 2- Friday September 26<sup>th</sup>, 2025

08:15	Registration (tea, coffee)
	(Un)common pain problems & widespread pain
08:50	Keynote session: a neuro-immune basis of chronic widespread pain in fibromyalgia. <i>Prof. Shafaq Sikandar, London, United Kingdom</i>
09:40	Q&A
09:50	Transforaminal procedures in patients with radicular pain. <i>Robert Rapcan MD, Czech Republic &amp; Slovakia</i>
10:20	Q&A
10:30	Morning break – tea/coffee & biscuits
11:00	Invasive electrostimulation for patients with facial pain <i>Jean-Pierre van Buyten MD PhD, Sint-Niklaas &amp; Antwerp, Belgium</i>
11:30	Q&A
11:40	Risk of epidural or intradural bleed during invasive pain procedures <i>Erkant Kurt MD PhD, Nijmegen, The Netherlands</i>
12:10	Q&A
12:20	Lunch
	(Un)common pain problems & widespread pain
13:10	Murine modelling of pain in osteoarthritis <i>Shafaq Sikandar, MD, PhD, London, United Kingdom</i>
13:40	Q&A
13:50	New indications for invasive electrostimulation (including nonsurgical back pain, mono- & polyneuropathies) <i>Ashish Shetty MD PhD, London, United Kingdom</i>
14:20	Q&A
14:30	Basivertebral nerve ablation for lower back pain <i>Robert Rapcan MD, Czech Republic &amp; Slovakia</i>
15:00	Free oral presentation 2

15:15	Afternoon break – tea/coffee & snack
	Ultrasound guided interventional pain procedures
15:45	Ultrasound guided interventions of the abdominal wall (anterior, lateral, posterior), genitofemoral nerve, lateral femoral cutaneous nerve, ilioinguinal – and iliohypogastric nerves, obturator – and femoral nerve, adductor canal, PENG. <i>Tatiana Bravo MD, Aracaju, Sergipe, Brazil &amp; Danielle Mazetto Cadide MD, Sao Paulo, Brazil</i>
16:15	Q&A
16:20	Ultrasound guided posterior pelvis interventions (e.g., piriformis muscle, caudal, sacroiliac (SI) joint, pudendal nerve). <i>Tatiana Bravo MD, Aracaju, Sergipe, Brazil &amp; Ashish Shetty MD PhD, London, United Kingdom</i>
17:00	Q&A
17:10	Close of day 2 <i>Teodor Goroszeniuk MD &amp; Kenneth van Tilburg MD PhD</i>

Day 3- Saturday September 27<sup>th</sup>, 2025

08:15	Registration (tea, coffee)
	Ultrasound guided interventional pain procedures (Hands-on Workshop)
09:00	Station 1 Hip & knee <i>Remko Liebrechts MD, Amsterdam, The Netherlands</i>
09:50	Station 2 Shoulder <i>Wafa Rezvani MD, Nieuwegein, The Netherlands</i>
10:40	Morning break – tea/coffee & biscuits
11:10	Station 3 Abdominal wall & groin <i>Tatiana Bravo MD, Aracaju, Sergipe, Brazil</i>
12:00	Station 4 Posterior pelvis <i>Ashish Shetty MD PhD, London, United Kingdom</i>
12:50	Lunch
13:45	Station 5 Head & Neck – part 1 <i>Danielle Mazetto Cadide MD, Sao Paulo, Brazil</i>
14:35	Station 6 Head & Neck – part 2 <i>Robert Rapcan MD, Czech Republic &amp; Slovakia</i>
15:25	Station 7 Non-invasive (external) electrostimulation <i>Teo Goroszeniuk MD, London, United Kingdom</i>
16:15	Ask the expert <i>All hands-on teachers</i>
17:00	Close of the symposium <i>Teodor Goroszeniuk MD &amp; Kenneth van Tilburg MD PhD</i>
