

4th Symposium on the Evolution of PRF

14 November 2025 - Nice, France

www.painandneuromodulationlondon.com

SYMPOSIUM FACULTY INCLUDE

dr. Prof.dr. Josino Brasil
dr. Ahmed Elhalwagy
dr. Tolga Ergönenç
dr. Teodor Goroszeniuk
dr. Daniel Jorge
dr. Andrzej Krol

dr. Marieke Niesters
dr. Martina Rekatsina
dr. Olav Rohof
dr. Alexandre Teixeira
Prof.dr. Bert van Duijn

4th Symposium on the Evolution of PRF

14 November 2025 - Westminster Hotel, Nice, France

Join us in Nice for the 4th International Symposium on the Evolution of Pulsed Radiofrequency on 14 November 2025. Leading experts in the field will be speaking at the event.

Time	VENUE: Westminster Hotel, 27 Promenade des Anglais, 06000 Nice, France
08.00-08.30	Registration/Coffee & tea
08.30-08.40	Opening Session; <i>dr. Teo Goroszeniuk (President, London Pain Forum, Cromwell Hospital, UK)</i>
08.40-09.40	The PRF atlas: a clinical roadmap from pain type to therapy <i>dr. Olav Rohof MD FIPP (Pain Specialist, Netherlands)</i>
09.40-10.20	A comparative study between conventional pulsed radiofrequency and STP <i>Prof. dr. Josino Brasil (Universidade Federal das Ciencias da Saude de Porto Alegre, Brazil)</i>
10.20-10.50	Coffee break
10.50-11.30	Treating chronic pelvic pain with pulsed radiofrequency of the pudendal nerve <i>dr. Martina Rekatsina (Anesthesia & Pain, Aretaieion Hospital, Greece)</i>
11.30-11.50	7StarScope and tcPRF in clinical practice <i>dr. Marieke Niesters MD (Anesthesia & Pain, Leiden University Medical Center, Netherlands)</i>
11.50-12.30	PRF further revealed <i>Prof. dr. Bert van Duijn (Leiden University, Netherlands, Plant Electrophysiology)</i>
12.30-13.30	Lunch
13.30-14.10	Pulsed RF as an ally to orthobiologicals in the recovery of neurological injuries <i>dr. Daniel Jorge MD (Pain Specialist, Instituto RegeneM de Medicina Avancada, Brazil)</i>
14.10-14.50	Ultrasound-guided PRF in musculoskeletal pain: from sonoanatomy to application <i>dr. Tolga Ergonenç, MD, COMSK (Anaesthesiology & ICU, Akyazi Hospital, Turkey)</i>
14.50-15.30	Efficacy of STP pulsed radiofrequency in treatment of post-herpetic neuralgia <i>dr. Ahmed Elhalwagy (Head of Pain Unit - Sohag University Hospital, Egypt)</i>
15.30-15.50	Coffee break
15.50-16.30	Thoracic Outlet Syndrome & PRF Treatments <i>dr. Andrzej Krol (Anaesthesia & Pain Medicine, St George's Univ. Hospital, London, UK)</i>
16.30-17.10	Discussion Session; <i>dr. Alexandre Teixeira (Pain Specialist, Private Pain Practice, Porto, Portugal)</i>
17.10-17.30	Closing Session; <i>dr. Teo Goroszeniuk (President, London Pain Forum, Cromwell Hospital, UK)</i>

REGISTRATION FEE

Symposium Early Bird Registration Fee: €450,00
