Certificate in Medical Soft Skills

Accredited for MAcadMED(UK) by **Academy of Medical Educators UK**
Approved for 56 CPD hours by **CPD Certification Service UK**

A comprehensive one-year blended course on essential soft skills for medical and dental professionals of all grades including graduates, FY doctors, Trainees, Specialty/SAS doctors and Consultants.

The programme has 4 parts featuring e-learning modules, practical workshops, self-assessment, reflective assignment, assessment and certification. While e-learning courses are offered through our exclusive LMS platform, practical workshops are conducted in person at Keele University.

Registrations are now open for January 2026 cohort.

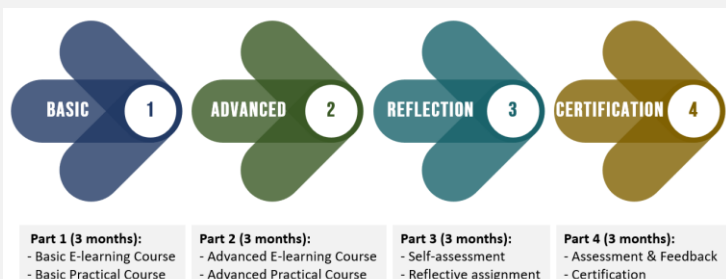

Visit www.aomss.org or www.medisftskills.com for course information.

Course Fee: The full fee is split into 3 convenient payments of £390 each. Payments will be collected in scheduled intervals before parts 1, 2 & 3.
