

4th International Pain Symposium “Advances in Neuromodulation & Role of Frequency” and 4th Ultrasound Guided Interventional Pain Procedures Workshop

9th-11th April 2026

Melius Klinieken, Beatrix de Rijkweg 8, 5657 EG Eindhoven, Netherlands

Preliminary Programme

Thursday 9th April 2026

| | |
|-------|---|
| 09:30 | Registration/Exhibition |
| 10:15 | Welcome & Introduction <i>Dr Teodor Goroszeniuk & Dr Kenneth van Tilburg</i> |
| | Spinal Cord Stimulation for Pain Management |
| 10:30 | Mechanisms of Spinal Cord Stimulation <i>Dr. Ilona Obara, Newcastle, UK</i> |
| 11:10 | Spinal Cord Stimulation: Does Frequency Matter? <i>Dr Ganesan Baranidharan, Pain Clinic, Leeds Teaching Hospitals, UK</i> |
| 11:50 | Review of Spinal Cord Stimulation in Non-Surgical Low Back Pain <i>Dr Jan Willem Kallewaard, Arnhem, The Netherlands</i> |
| 12:30 | Lunch exhibition - poster viewing |
| 13:30 | Spinal Cord Stimulation: New Frequencies & Stimulation Parameters <i>Dr Ashish Gulve, Pain Clinic, James Cooke Univ. Hospital, Middlesbrough, UK</i> |
| 14:10 | Closed Loop Spinal Cord Stimulation and the Future <i>Prof Jean-Pierre van Buyten, Sint-Niklaas, Belgium</i> |
| 14:50 | Five Year Results of the Dutch Neuromodulation Registry <i>Dr Jan Willem Kallewaard, Arnhem, The Netherlands</i> |
| 15:30 | Afternoon break – tea/coffee & snack – exhibition – poster viewing |
| | Minimally-invasive Stimulation for Pain Management |
| 16:00 | Vagal Nerve Stimulation for Pain Management <i>Dr Christophe Perruchoud, Switzerland</i> |
| 16:40 | Non-invasive SPG Stimulation for Headache & Facial Pain <i>Dr Wojciech Nierodzinski, Bialystok, Poland</i> |
| 17:20 | PRF Atlas: Clinical Roadmap from Pain Type to Therapy <i>Dr Olav Rohof, Amsterdam, Netherlands</i> |
| 18:00 | Close of Day One |

Friday, 10th April 2026

| | |
|-------|---|
| 08:00 | Arrival Tea & coffee |
| | Peripheral Neuromodulation for Pain Management |
| 08:15 | Advanced Peripheral Neuromodulation Procedures <i>Prof Jean-Pierre van Buyten, Sint-Niklaas, Belgium</i> |
| 08:55 | Ultrasound Guided Peripheral Neuromodulation Procedures & New Tech <i>Dr Andrea Trescot, Florida, USA</i> |
| 09:35 | Occipital Nerve Stimulation Update <i>Dr Erkan Kurt & Ms Linda Kollenburg, Nijmegen, The Netherlands</i> |
| 10:15 | Morning break – tea/coffee & snack – exhibition – poster viewing |
| | Recent Developments in Neuromodulation |
| 10:45 | To Denervate or Stimulate - Multifidus Stimulation <i>Dr Ganesan Baranidharan, Leeds, UK</i> |
| 11:25 | PSPS implementation & Sub-perception SCS <i>Dr Simon Thomson, London, UK</i> |
| | Free Oral Presentations |
| 12:05 | Free Oral Presentations x 4 |
| 12:45 | Lunch – exhibition - poster viewing |
| | Brain Stimulation |
| 13:45 | Deep Brain Stimulation for Pain <i>Prof Manjit Matharu, London, UK</i> |
| 14:25 | Cortical Neurostimulation for Chronic Pain <i>Prof Luis Garcia-Larrea, Lyon, France</i> |
| 15:05 | Motor Cortex Stimulation for Pain <i>Dr Erkan Kurt, Nijmegen, The Netherlands</i> |
| 15:45 | Afternoon break – tea/coffee & snack – exhibition – poster viewing |
| | Paediatrics |
| 16:10 | Neuromodulation Treatments for Paediatric Patients <i>Dr. Danielle Mazetto Cadide, Sao Paulo, Brazil</i> |
| | Closing Lecture |
| 16:50 | Neuromodulation and The Role of Frequency <i>Dr. Ilona Obara, Newcastle, UK</i> |
| 17:30 | Close of Day Two & Feedback |

Saturday, 11th April 2026

| | |
|-------|--|
| 08:00 | Arrival Tea & coffee |
| | Expert Lectures |
| 08:30 | Cryoneurolysis in Interventional Pain Management <i>A. Trescot FIPP CIPS, Florida, USA</i> |
| 09:00 | From Diagnosis to Delivery: The Expanding Role of Ultrasound in Orthobiologic MSK Interventions: MSK Clinician Perspective. <i>S. Sudula, London, UK</i> |
| 09:30 | Ultrasound in Pain Management Advances <i>A. Salti, UAE</i> |
| 10:00 | Morning break – tea/coffee & exhibition – poster viewing |
| | Hands-on Workshop Stations (7 rotations) |
| 10:30 | Station 1: USG Peripheral Nerve Stim Targets or Cryo Workshop. <i>A. Trescot, USA</i> |
| 11:10 | Station 2: USG MSK/Regenerative Medicine Workshop. <i>S. Sudula, UK</i> |
| 11:50 | Station 3: USG Pain Interventions – Shoulder. <i>W. Rezvani CIPS, The Netherlands</i> |
| 12:40 | Lunch & exhibition – poster viewing |
| 13:40 | Station 4: USG Pain Interventions – Knee & Hip <i>E. Episkopou FIPP CIPS, Greece</i> |
| 14:20 | Station 5: USG Abdomino-Pelvic Interventions Workshop <i>D. Mazetto Cadide, Brazil</i> |
| 15:00 | Afternoon break – tea/coffee & exhibition – poster viewing |
| 15:20 | Station 6: USG Pain Interventions – Head & Neck. <i>E. Almac FIPP CIPS, Netherlands</i> |
| 16:00 | Station 7: USG Pain Interventions – All Blocks. Ask The Expert. <i>A. Salti, UAE</i> |
| 16:40 | Close of Day Three & Feedback |
