

4th International Pain Symposium & 4th Ultrasound Guided Interventional Pain Procedures Workshop

9th-11th April 2026

Venue: Melius Klinieken, Beatrix de Rijkweg 8, 5657 EG Eindhoven,
Netherlands

Programme

Thursday 9th April 2026

09:30	Registration/exhibition
10:15	Welcome & Introduction <i>Dr Teodor Goroszeniuk & Dr Kenneth van Tilburg</i>
	Spinal Cord Stimulation for Pain Management
10:30	Mechanisms of Spinal Cord Stimulation <i>Dr Ilona Obara, Newcastle, UK</i>
11:10	Spinal Cord Stimulation: Does Frequency Matter? <i>Dr Ganesan Baranidharan, Pain Clinic, Leeds Teaching Hospitals, UK</i>
11:50	Review of Spinal Cord Stimulation in Non-Surgical Low Back Pain <i>Dr Jan Willem Kallewaard, Arnhem, The Netherlands</i>
12:30	Lunch exhibition
13:30	Spinal Cord Stimulation: New Frequencies & Stimulation Parameters <i>Dr Ashish Gulve, Pain Clinic, James Cooke Univ. Hospital, Middlesbrough, UK</i>
14:10	Closed Loop Spinal Cord Stimulation and the Future <i>Prof Jean-Pierre van Buyten, Sint-Niklaas, Belgium</i>
14:50	Five Year Results of the Dutch Neuromodulation Registry <i>Dr Jan Willem Kallewaard, Arnhem, The Netherlands</i>
15:30	Afternoon break – tea/coffee & snack – exhibition
	Minimally Invasive Stimulation for Pain Management
16:00	Vagal Nerve Stimulation for Pain Management <i>Dr Christophe Perruchoud, Switzerland</i>
16:40	Non-invasive SPG Stimulation for Headache & Facial Pain <i>Dr Wojciech Nierodzinski, Bialystok, Poland</i>
17:20	PRF Atlas: A Roadmap from Pain Type to Therapy and The Place of PRF Invasive and Transcutaneous <i>Dr Olav Rohof, Amsterdam, The Netherlands</i>
18:00	Close of Day One

Friday, 10th April 2026

08:00	Arrival Tea & coffee
	Peripheral Neuromodulation for Pain Management
08:15	Advanced Peripheral Neuromodulation Procedures <i>Prof Jean-Pierre van Buyten, Sint-Niklaas, Belgium</i>
08:55	Ultrasound Guided Peripheral Neuromodulation Procedures & New Tech <i>Dr Andrea Trescot, Florida, USA</i>
09:35	Occipital Nerve Stimulation Update <i>Dr Erkan Kurt & Ms Linda Kollenburg, Nijmegen, Netherlands</i>
10:15	Morning break – tea/coffee & snack – exhibition
	Recent Developments in Neuromodulation
10:35	To Denervate or Stimulate - Multifidus Stimulation <i>Dr G. Baranidharan, Leeds, UK</i>
11:15	PSPS Implementation and Sub-Perception SCS <i>Dr Simon Thomson, Basildon, UK</i>
11:55	Neurostimulation for Chronic Intractable Migraine <i>Prof F. Huygen, Rotterdam, Netherlands</i>
	Free Oral Presentations
12:35	Vagal Nerve Stimulation with Lateral Cervical Sono Guide Percutaneous Access <i>Dr Claudio Reverberi, Clinical Institute Villa Aprica, Como, Italy</i>
12:45	Presentation TBC
12:55	Lunch – exhibition
	Brain Stimulation
13:45	Deep Brain Stimulation and Headache Disorders <i>Prof Manjit Matharu, London, UK</i>
14:25	Cortical Neurostimulation for Chronic Pain <i>Prof Luis Garcia-Larrea, Lyon, France</i>
15:05	Motor Cortex Stimulation for Pain <i>Dr Erkan Kurt, Nijmegen, The Netherlands</i>
15.45	Afternoon break – tea/coffee & snack – exhibition
	Paediatrics
16:10	Neuromodulation Treatments for Paediatric Patients <i>Dr D. Cadide, Sao Paulo, Brazil</i>
	Closing Lecture
16:50	Neuromodulation and The Role of Frequency <i>Dr. Ilona Obara, Newcastle, UK</i>
17:30	Close of Day Two & Feedback

Saturday, 11th April 2026

08:00	Arrival Tea & coffee
	Interventional Pain Management
08:30	Cryoneurolysis in Interventional Pain Management <i>A. Trescot FIPP CIPS, USA</i>
09:00	From Diagnosis to Delivery: The Expanding Role of Ultrasound in Orthobiologic MSK Interventions: MSK Clinician Perspective. <i>S. Sudula, London, UK</i>
09:30	Ultrasound in Pain Management Advances <i>A. Salti, UAE</i>
10:00	Morning break – tea/coffee & exhibition
	Hands-on Workshop Stations (7 rotations)
10:30	Station 1: USG Peripheral Nerve Targets or Cyro Workshop. <i>A. Trescot FIPP CIPS, USA</i>
11:10	Station 2: USG MSK/Regenerative Medicine Workshop. <i>S. Sudula, UK</i>
11:50	Station 3: USG Pain Interventions – Shoulder. <i>W. Rezvani CIPS, The Netherlands</i>
12:40	Lunch & exhibition
13:40	Station 4: USG Pain Interventions – Knee & Hip. <i>E. Episkopou FIPP CIPS, Greece</i>
14:20	Station 5: USG Abdomino-Pelvic Interventions <i>D. Mazetto Cadide, Brazil</i>
15:00	Afternoon break – tea/coffee & exhibition
15:20	Station 6: USG Pain Interventions – Head & Neck. <i>E. Almac FIPP CIPS, Netherlands</i>
16:00	Station 7: USG Pain Interventions – All Blocks. Ask The Expert. <i>A. Salti, UAE</i>
16:40	Close of Day Three & Feedback
