

Thursday 19th May 2026

Simulation Centre, Salisbury District Hospital, SP2 8BJ

Join us for a day of TIVA training.

Morning talks from experts on the basic pharmacology, practical tips, NAP5, challenging TIVA scenarios, paediatric TIVA and processed EEG. Followed by an afternoon of clinical scenarios and simulation to inform your practise further and improve your confidence administering safe intravenous anaesthesia.

Suitable for all grades of trainees, SAS and consultant anaesthetists

In-person only

Lunch, refreshments and booking fee included

£125

Feedback from previous courses

“The best pEEG lecture I’ve ever had – I think I finally understand it”

“The whole course was one of the best I have attended in over 20 years of consultant practice. Keep up the excellent work.”
