# Certificate in Medical Soft Skills

Accredited for MAcadMED(UK) by **Academy of Medical Educators UK**  
Approved for 56 CPD hours by **CPD Certification Service UK**

A comprehensive one-year blended course on essential soft skills for medical and dental professionals of all grades including graduates, FY doctors, Trainees, Specialty/SAS doctors and Consultants.

The programme has 4 parts featuring e-learning modules, practical workshops, self-assessment, reflective assignment, assessment and certification. While e-learning courses are offered through our exclusive LMS platform, practical workshops are conducted in person.

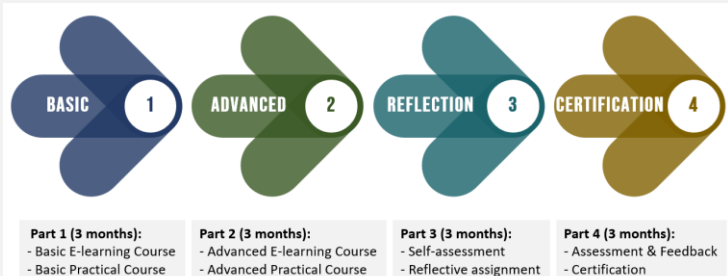

**Registrations are now open for July 2026 cohort.**

**Course Fee:** The full fee is split into 3 convenient payments of £390 each. Payments will be collected in scheduled intervals before parts 1, 2 & 3.
