

PERIOP 360°
Annual Scientific Meeting
Call for Abstracts

Saturday 3rd October 2026
The New Bingley Hall BIRMINGHAM B18 5PP

The Event

We welcome you all to our Annual Scientific Meeting covering Anaesthesia, Perioperative Medicine, Pain, and Critical Care Medicine.

Abstracts

The Organising Committee invites submission of high-quality scientific abstracts. We welcome original research, audits, quality improvement projects, and case reports that advance clinical practice in anaesthesia, perioperative medicine, pain, and critical care medicine.

Abstract Categories

All abstracts will be scored, and the top 6 scorers will be invited for oral presentation. All the others will be invited to display their work as posters.

Important Dates

Submission Deadline: 4th September 2026

Presenter Registration Deadline: **10th September 2026** (presenting author must register for the ASM to be allowed to present orally or display a poster).

Submission Guidelines

Word limit: 300 words (excluding title and authors)
Structured format required: Background, Methods, Results, Conclusion
Maximum 6 authors
No tables or images in abstract

Presentation format

Oral Presentation: 8 minutes PP presentation + 2 minutes discussion Q&A
Poster: A0 Portrait with moderated discussion
