Glasgow Anaesthetic Research Club

Friday 11th Dec 2026, 2pm
The Studio, Glasgow

VIA VERITAS VITA

ABSTRACT DEADLINE EXTENDED UNTIL FRIDAY 13th Nov 2026

As part of ***Glasgow and West of Scotland Society of Anaesthetists Winter Meeting 2026,*** submissions are invited for the annual Glasgow Anaesthetic Research Club abstract competition. Co-hosted with the ***University of Glasgow Anaesthesia, Critical Care & Peri-operative Medicine Research Group***

Abstracts relating to anaesthesia, pain, critical care and perioperative medicine are invited in the following categories:

- **Original Research**
- **Audit / Quality Improvement**
- **Case reports**

Top submissions will be invited to present at the meeting, with prizes awarded in each category. **Authors must attend the meeting.**

All abstracts should include: title, authors, institution and details of project on one side of A4 paper in Arial, 12 point. One figure or table can be included on the single page.

Research and audit/QI abstracts should be arranged in the following sections, but titles are not required: **introduction, methods, results, conclusions**.

Case reports should be arranged in the following sections, but titles are not required: **introduction, case description, discussion**.

Abstracts should be submitted by e-mail by **5pm, Friday 13th November 2026**. Presenters will be notified by **Friday 20th November 2026.**
