Leicester Interventional Pain Management Cadaver Workshop

Knee, Hip and Shoulder Joint injections, Denervation & Peripheral Nerves RF & Cryoneurolysis

16 April 2027

University of Leicester, Maurice Shock Building,
University Rd, Leicester LE1 7RH, United Kingdom

Lectures and Hands on Cadaveric Procedures

Time	Programme
08:30–09:00	**Welcome, Tea / Coffee**
09:00–09:05	**Introduction & lab instructions**
09:05–09:20	**Anatomy pertaining to Interventional Pain Management** Chronic Knee, Hip and Shoulder Pain - Old & New Targets
09:20–09:40	**How do I do it? Knee Joint Injection & Denervation** Knee joint articular branches block, RF & Cryoneurolysis
09:40–10:00	**How do I do it? Hip Joint Injection & Denervation** Hip joint articular branches block, RF & Cryoneurolysis
10:00–10:20	**How do I do it? Shoulder Joint Injection & Denervation** Shoulder joint articular branches block, RF & Cryoneurolysis
10:20–11:00	**Tea / Coffee Break (Exhibit)**

Hands on Scanning and Cadaveric Procedures

Time	Programme
11:00–12:00	**Station 1 - Knee Joint injection, Articular branches Diagnostic Block, RF & Cryoneurolysis**
12:00–13:00	**Station 2 - Hip Joint injection, Articular branches Diagnostic Block, RF & Cryoneurolysis**
13:00–14:00	**Lunch Break**
14:00–15:00	**Station 3 - Shoulder Joint injection, Articular branches Diagnostic Block, RF & Cryoneurolysis**
15:00–16:00	**Station 4 - Peripheral Nerves Pulsed RF & Cryoneurolysis**
16:00–17:00	**Station 5 - Live Model Hands-on scanning**
17:00–17:30	**Feedback & Closure**
